New Business

It was decided that for the month of July, stickers would be sold on Saturdays only to alleviate some of the potential backup at the guard shack.

Site Update

Bob Mat reported that materials illegally dumped on the lawn were investigated by Scott Halligan and with the help of a Durham resident, were traced to a property owner in Middletown, just over the Rockfall town line. The materials were removed by the end of the day.

The tub grinder is scheduled to be repaired in the next week.

Bob Mat and Stephen Tyrseck learned how to start in-house Freon evacuation this week.

It should also be noted that the concrete pads under the bulky waste "saw tooth" were completed last month by John Ricci and Stephen Tyrseck. They are now in use.

On a motion by Jim Gibbons, seconded by Bill Lintz, the meeting was adjourned at 7:45 pm.

Next regular meeting will be in the Durham Public Library.
