General discussion followed regarding the Guildford tax freeze program. The general consensus of the committee is to use this program as our model. The group agreed to use the next two weeks to study the Guildford program specifications and come up with suggestions on how to adapt the program to Durham's populace for discussion at the next meeting. We also talked about the need for feedback on whether any program the town adopts is having the desired affect. We may incorporate a questionnaire into the program application to try to gather this information.

Meeting adjourned at 8:05pm to allow committee members to attend the Town Meeting.

Our next meeting is scheduled for January 22, 2007 at 7:30pm downstairs in the library.

Respectfully submitted,
Liz Conroy
Secretary
