Special Workshop Meeting

Discussion of Adaptable Reuses of Main Street Structures

The special workshop meeting was called to order by George Eames, Chairman, at 7:00 p.m. Because the number of attendees of the regular meeting (and 8:00 p.m. Silver Eagle Development public hearing) exceeded the capacity of the two downstairs library meeting rooms, the fire marshal required that the Commission take action to immediately reduce attendance to acceptable limits; hence, the Commission postponed the public hearing and the special workshop. Therefore, this special workshop was postponed to the next regular meeting date, **Wednesday, February 6, 2008, at 7:00 p.m.**

Motion by Richard Eriksen, seconded by Ralph Chase, to postpone the January 16, 2008, special workshop meeting about adaptable reuses of Main Street structures to the next regular meeting of the Commission, February 6, 2008, at 7:00 p.m. Motion carried unanimously.

Respectfully submitted,

Jan Melnik
