

DURHAM PUBLIC SAFETY COMMITTEE

Minutes of the Meeting, October 14, 2008

The meeting was called to order at 6:33 PM. In attendance were committee members Frank DeFelice, Jim Rossi, Mal Pierce, Bill Smith, Dan Murphy and Wendy Manemeit. Reading of the previous months meetings minutes was waived.

Scott Potter and Bill Merritt of Decatur Electronics gave a presentation of the new type of radar speed machines. Three models were discussed, the "Speed Spy", a covert, compact recording device that records maximum speed, but does not display it and two types of compact radar displays, the "Onsite Model 100" and the "Onsite Model 200". The costs discussed were \$1599 for the Speed Spy, \$2750 for the Model 100 and \$33495 for the Model 200. The difference between Models 100 and 200 are the size of the displays. Model 100 has 14" display and Model 200 has an 18" display. A memory module to retain collected data is an additional \$795. All models are only available for purchase. Rental or leasing is not an option.

The committee discussed the "options for additional police coverage report". After agreeing on a basic format and discussing various options, the committee tabled future action until next month. All committee members will continue to work on it and send their input to Wendy Manemeit for consolidation.

There being no additional business, the meeting was adjourned at 8:01 PM. The next meeting is scheduled for November 4, 2008 at 6:30 PM at the Durham Public Library.

Respectfully submitted, James M. Rossi
