Jan Muraca reported the cholesterol screening was a success with about 15 people showing up.

Jan Muraca also reported that she spoke with Brian Ameche, Chairman of the Conservation Commission in regards to land that the Conservation Commission has access to and what the process for the seniors using some of that for the new location of a Senior Center. B. Ameche advised this is not an option for the seniors as the land was purchased by State & Federal funds.

Sherry Hill reported that there are not going to be any exercise classes for the week of June 26-30th. There will be classes held on Monday July 3rd.

We are still waiting for word from the schools for approval on the Health Fair. After discussion on the Committee thought that changing the Health Fair until May 2007 would work better.
