

SKATING POND COMMITTEE
11/7/2006 MEETING MINUTES

Attendees: Dave Monroe, chairman; Simone Howe, acting secretary

Meeting called to order by Dave Monroe @ 7:10 p.m. in the Durham Public Library.

The meeting was called to review invoices presented to the Town of Durham for expenses relating to the skating pond. These were from:

Lesco \$200 for seeds for the berms

Nathan L. Jacobson and Associates, Inc. \$3266.73 for Brian Curtis's services

Neenah Foundry Company \$343.82 for weir segments

Northford Enterprises \$12,050.00 for materials and labor for the berms and dam

Copies of the invoices are available at the Town Hall.

These expenses were all thought to be appropriate and were approved.

Dave gave an update of the work. The weir frame is to be constructed this month. The ground is currently too soft for equipment needed to plant the light poles.

We still have not heard from CIRMA about the wording of the signs to be posted around the pond. Dave said that Jan Muraca would contact CIRMA about this.

Dave hopes to organize a grass and weed cutting party in two weeks.

The meeting adjourned at 7:45 PM.

The next meeting of the Skating Pond Committee will be called when there are other matters to be discussed.

Respectfully submitted,
Simone Howe, acting secretary.
