Playing with a Purpose...

If your child enjoys music class, he or she will love Junior Music Club. Mr. Robison, the music teacher at Brewster and Korn School, takes a light-hearted approach to teaching. His students gave him the idea to start this club.

While the games played are fun, they are also designed to hoodwink students into learning advanced musical concepts.

The Spring session of the Junior Music Club will be held every Thursday after school starting in January and ending with the last Thursday of school. We play at the gym in Brewster School.

If school is cancelled or dismissed early due to inclement weather, we will not meet. We will, however, meet on days with delayed openings.

In addition to building a large repertoire of songs, students will learn to read, write and artistically respond to all types of music, while having fun the whole time!

An important goal of the club is to bring music to many students at a minimal cost to the hard-working families of Durham and Middlefield.

Students from Brewster will be dismissed from school straight to music club. Pick-up is promptly at 5:15. Please read the important information below.

Please join us on Thursdays for some fun and learning! Thank you!

Sincerely,
Mr. Robison
