Local resident and veterinarian Dr. Mark Albin will be donating his services for this year's Rabies Clinic on June 6th from 10am to 12:00pm in which all proceeds will benefit the Durham Animal Response Team (DART).

D.A.R.T is a division of the Department of Emergency Management for the town of Durham. The goal of the group is to provide support to your pets in the event of an evacuation or natural disaster in conjunction with the Red Cross or assist Durham's emergency personnel with any animal related accidents or emergencies. The clinic will be held on the Durham Fair Grounds at the Medical Building.

Please bring proof of previous vaccines for 3-year vaccines otherwise all vaccines will be recorded as 1-year vaccinations. Rabies vaccinations will cost \$20 and town officials will be present so that you may license your dog when you visit.
