

PREAMBLE

We, the electors of the Town of Durham, acting pursuant to the applicable statutes of the State of Connecticut relating to the adoption of town charters, in order to provide a basic organic law defining the powers, duties, rights and obligations of the citizens, officers and administrative bodies of the Town of Durham, do hereby approve this Charter for the Town of Durham.

CHAPTER 1. INCORPORATION AND GENERAL POWERS

Section 1.1 Incorporation

All the inhabitants dwelling within the territorial limits of the Town of Durham, as heretofore constituted, shall continue to be a body politic and corporate under the name of "The Town of Durham," hereinafter in this Charter called "the town," and as such shall have perpetual succession and may hold and exercise all powers and privileges heretofore exercised by the town and not inconsistent with the privileges herein conferred, and all powers and privileges conferred upon towns under the General Statutes of the State of Connecticut as amended, hereinafter called the "General Statutes."

Section 1.2 Rights and Obligations.

All property, both real and personal, all rights of action and rights of every description and all securities and liens vested or inchoate in the town as of the date when this Charter shall take effect are continued in the town, and the town shall continue to be

liable for all debts and obligations of every kind for which the town shall be liable on said date, whether accrued or not. Nothing herein shall be construed to affect the right of the town to collect any assessment, charge, debt, or lien. If any contract has been entered into by the town prior to the effective date of this Charter, or any bond or undertaking has been given by or in favor of the town which contains provisions that the same may be enforced by any office or agency therein names, which is hereby abolished, such contracts, bonds, or undertakings shall in no manner be impaired but shall continue in full force and effect and the powers conferred and the duties imposed with reference to this same upon any such office or agency shall, except as otherwise provided in the Charter, thereafter be exercised and discharged by the Board of Selectmen of the town.

Section 1.3 General Grant of Powers

In addition to all powers granted to towns under the Constitution and General Statutes, the town shall have all powers specifically granted by this Charter and all powers fairly implied in or incident to the powers expressly granted herein and all other powers incident to the management of the property, government and affairs of the town, including the powers to enter into contracts with the United States, any federal agency, the State of Connecticut or any political subdivision thereof for services and the use of facilities, the exercise of which is not expressly forbidden by the federal and state constitutions and General Statutes of the State of Connecticut. In the event that the

functions of existing offices and/or agencies are transferred under such contract or agreement, such offices and/or agencies may, by ordinance, be abolished.

Section 1.4 Hiring of Staff

All officers, boards, commissions, and other agencies of the town shall have the authority to engage, and may remove, clerical, professional, technical, or other staff as may be required. Expenditures for such staff may not exceed the limits of their individual appropriations. Except as specifically provided herein no officer, board, agency or commission member shall receive compensation directly or indirectly for goods or services furnished to that office, board, agency or commission.

Comment: The CRC believes elected and appointed officials should not be allowed to receive pay from the boards or commissions on which they serve.

CHAPTER 2. OFFICERS AND ELECTIONS

Section 2.1 General Town Elections

A meeting of the electors of the Town of Durham for the election of the municipal officers shall be held biennially on the Tuesday following the first Monday of November in the odd-numbered years. At such meeting the following shall be elected on voting machines, between hours to be set in accordance with General Statutes:

(1) A Board of Selectmen consisting of a First Selectmen and two (2) additional members; a Town Clerk; a Tax Collector; a Town Treasurer, and two (2) Registrars of Voters, all for terms of four (4) years each.

(2) Two (2) members of the six-member Board of Finance for the term of six (6) years each.

(3) One (1) member of the three-member Board of Assessment Appeals for the term of six (6) years each.

(4) Two (2) or three (3) regular members and one (1) or two (2) alternate members of the five (5) member Zoning Board of Appeals for terms of four (4) years.

(5) Four (4) or Five (5) regular members and one (1) or two (2) alternate members of the nine (9) member Planning and Zoning commission, for terms of four (4) years.

(6) Sufficient members to maintain a full delegation to represent the Town of Durham on the Regional District 13 Board of Education, for terms of four (4) years each.

The terms of all officers shall commence on the first Monday in December except the Town Clerk and Town Treasurer, whose terms shall begin on the first Monday in January. All elective officers presently holding office and to be elected hereunder, shall hold office until their successors are elected, have taken the oath of office and have otherwise qualified.

Comment: Revision to update current board name and to update language for post transition boards.

The CRC proposes the expansion of terms of office (subsection 1) in the belief that such will improve town governance by giving elected officials more focused time to address the needs of the town, and we also believe that the expanded terms will increase the pool of potential candidates for office.

Revision of Section 2.1 (6) reflects revision of Section 6.1.

Following the CRC's meeting with the BoS on 08.07.06, we agreed unanimously to reiterate our recommendation that the Board of Selectmen's terms be expanded to 4 years, and would further recommend that this section not be offered as a separate ballot item, believe it to have an organic relationship to the whole charter revision.

Section 2.2 State Election

Nomination and election of state and federal officers and other elective officers of the

Town of Durham, including two (2) registrars of voters shall be conducted in the manner prescribed in the Constitution of the United States and the General Statutes. The nomination or appointment of (18) Justices of the Peace shall also be conducted in this manner United States and the State of Connecticut and the General Statutes. The registrars of voters shall prepare lists of electors qualified to vote in accordance with said laws.

Comment: Revision to enhance clarity of new Justice of the Peace elective process per State Statute. Number of Justices of the Peace changed to reflect ordinance.

Section 2.3 Minority Representation

The maximum number of members of any board, commission, committee, or similar body of the state or any political subdivision thereof, whether elective or appointive, except any such board, commission, committee, or body whose members are elected on the basis of a geographical division of the state or such political subdivision, who may be members of the same political parties shall be as specified in the following table:

Total Membership	Maximum From One Party
3	2
4	3
5	4
6	4
7	5

8

5

9

6

More than 9

No more than two-thirds of total membership

All such elections and/or appointments shall be made in accordance with the General Statutes.

Section 2.4 Breaking a Tie

When, as a result of any general, municipal, or special election conducted under the provisions of this Charter, it is necessary to break a tie, procedures in accordance with the General Statutes shall prevail.

Section 2.5 Eligibility

No person will be eligible for election to any town office or appointment to any board or commission who is not at the time of his/her election or appointment an elector or resident of the town, and any person ceasing to be an elector or resident of the town will thereupon cease to hold elective office or appointive board or commission membership in the town.

Comment: Revision to include appointed members of boards and commissions. The CRC believes it to be good practice conducive to civic morale to limit membership of agencies concerned with Durham to Durham residents. Further, the CRC agrees with the BoS’s recommended revision of the text to include “resident” and “elector” as in the above text.

Section 2.6 Vacancies Other Than Expiration of Term.

Unless otherwise specified in this Charter or the General Statutes, any vacancy, from whatever cause arising other than the expiration of term, in any elective or

appointive town office, shall be filled by appointment by the Board of Selectmen for the unexpired portion of the term or until the next scheduled election for that office, whichever shall be sooner.

Vacancies created by the demise or resignation of a board member shall be reported by the chairman or resigning board member, in writing, to the Town Clerk and to the Board of Selectmen as soon as such information becomes available and before the first meeting of the Board of Selectmen following the reporting of said vacancy.

Such impending or actual vacancies shall be publicized. The Board of Selectmen shall make such appointment no sooner than five (5) days nor later than thirty (30) days after the Board of Selectmen's meeting at which the vacancy is announced.

Such vacancies shall be filled as follows:

(1) Selectman. Such vacancy shall be filled by appointment by the remaining Selectmen, and such appointee shall be a member of the same political party as the person vacating the office. Should the remaining Selectmen be unable to agree on the appointment within thirty (30) days after the office is vacated, the procedure prescribed in the General Statutes shall be followed.

(2) Office filled by General Town Election or Appointment. When a person vacating the office shall have been elected or appointed as a member of a political party, such vacancy shall be filled by appointment of a member of the same political party.

(3) Office filled by Election at Annual Town Meeting or Annual Budget Meeting. Such vacancy shall be filled by appointment not in conflict with section 2-3 (minority representation) of this Charter and the General Statutes.

(4) The First Selectman or his/her appointed representative shall provide each person appointed to a board, commission or other position, a copy of the ordinance, General Statute or other source clearly defining the appointee's duties.

Section 2.7 Vacancies: Expiration of Terms

The Town Clerk shall maintain a list of appointed board and commission members including dates of expiration of their terms. The Town Clerk shall, at least two months prior to the expiration of any term, notify the Board of Selectmen. The appointing authority shall notify boards and commissions chairpersons of impending term expirations and shall publicize impending vacancies. All appointments shall be made prior to the expiration of the term.

Comment: The CRC believes the revisions in Sections 2.6 and 2.7 make more public the process of town governance and thereby can promote civic participation by providing greater awareness of opportunities to serve the town. The language in 2.6 (3) and 2.7 reflects the BoS's recommendation (07.24)

Section 2.8 Officers of Boards

Except as otherwise specified in this Charter, every board shall elect from its members a chairman, a vice-chairman to act in the place of the chairman, and a secretary.

Section 2.9 General Powers, Duties and Remuneration

All elective town officers shall have powers and duties in accordance with the General Statutes and this Charter. Remuneration, if any, of town officials, whether elected or appointed, shall be set by vote of the Annual Budget Meeting upon the recommendation of the Board of Finance. Such salaries shall be listed separately for voting by being included as separate line items in the budget.

Section 2.10 Minutes of Meetings

All town boards and commissions shall keep and file copies of their minutes with the Town Clerk, in accordance with General Statutes and Freedom of Information Acts, as amended. Upon receipt of the minutes of meetings of town boards and commissions for filing, the Town Clerk shall cause a copy of said minutes to be transmitted to the Board of Selectmen.

Meetings of all town boards and commissions shall be open to the public, excepting that, upon a majority vote of the members present, meetings may be closed to the public for executive session.

Comment: We were asked to consider the advent of telecommunications in various board and commission meetings and other circumstances. The CRC is recommending that no language be added to the Charter to address meetings and/or voting by teleconference. Such meetings and voting are legal and proper according to FOI regulations when appropriate state-of-the-art telecommunications equipment is used to allow all meeting participants to hear and speak clearly with all other participants. The town, however, is not yet equipped with the technology to conduct public meetings by teleconferencing.

At such time that meetings by teleconference are technically possible, there may be no need to change or add language to the Charter since there is no language that precludes such meetings now. When meetings by teleconference are technically possible, however, the CRC suggests that it may be advisable for the town to adopt rules to govern the scope of the use of teleconferencing to address issues such as:

Under what circumstances may members participate via teleconferencing (medical reasons, vacation, weather, inconvenience)?

How many elected members of a Board or Commission may participate by teleconference for the same meeting?

Is it preferable to have an alternate member attend a meeting in person than to have a regular member participate via teleconference?

May two or more members assemble together at a private location to participate via teleconferencing in a meeting held in a public place?

Should a member's intention to participate in a meeting by teleconferencing be part of the public notice for the meeting?

May the absent member vote on a motion if overheads, handouts, maps, financial reports or other exhibits integral to the issue at hand are presented at the meeting that the absent member is unable to view?

Should the public be allowed to participate in meetings by teleconferencing?

Section 2.11 Referendum

Except as otherwise provided in this Charter, the provisions of the General Statutes shall prevail for all referenda.

Section 2.12 Regional Districts

The town may enter into such regional districts and associations as are permitted by the General Statutes and this Charter.

CHAPTER 3.TOWN MEETING

Section 3.1.1 Legislative Powers

The legislative powers of the town shall be vested in the Town Meeting.

Section 3.1.2 Annual and Special Meetings.

The Annual Town Meeting shall be held on the first Monday of October of each year unless changed by vote of a town meeting or by referendum. Special meetings may be called by the Board of Selectmen, in the manner provided by the General Statutes, whenever it deems it necessary, or on a petition of not less than one hundred (100) electors, qualified to vote at town meetings, such meetings to be held within twenty-one (21) days after such petition is received by the Selectmen. In order to expedite the

petition process and ensure due representation, the Town Clerk shall provide the petitioner with guidelines.

Comment: In our efforts to institute workability, the CRC recommends the procedural change made by this revision, which will forestall the difficulties petitioners have reportedly faced in developing a properly formed petition.

Section 3.1.3 Call of Special Meetings

The matters which the petitioners for a special town meeting desire acted upon, if they are legally proper subjects for action at a town meeting as determined by Town Counsel (at the request of the Selectmen), shall be put in proper form for the call of a town meeting and for a town meeting resolution with the assistance of the Town Counsel, if or when necessary, and those matters shall come first in the call of the meeting. The Board of Selectmen, at its discretion, may add other matters to the call of the meeting.

Section 3.1.4 Legal Notice

Legal notice of all Town Meetings shall be placed in a newspaper having circulation in Durham, and a copy posted on the bulletin board at the Town Hall, at least five (5) days prior to date of meeting. Warnings for town meetings shall be keyboarded and printed and a copy shall be filed with the Town Clerk in the Town Meeting Record Book. Warnings must contain place, date, and hour of meeting and list all articles to be acted upon.

Section 3.2 Organization and Procedure

The First Selectman shall call the meeting to order at the advertised time and the meeting shall choose a moderator. The Town Clerk or Assistant Town Clerk shall serve as clerk. In their absence, the meeting shall choose a clerk.

Section 3.2.1 Voting Qualifications

Electors of the town and other persons qualified to vote in accordance with the General Statutes may vote at town meetings. Unless otherwise required by this Charter, substantive town meeting action shall be by majority vote of those present and voting. Town meetings shall be conducted in accordance with procedures as set forth in the General Statutes and in the manual entitled "The Connecticut Town Meeting," published and revised by the Institute for Public Service of the University of Connecticut.

Section 3.3 Annual Budget

Adoption of the annual budget shall be by majority vote of those qualified to vote at the Annual Budget Meeting. The meeting shall have the power to decrease or delete any appropriation or item in an appropriation, but it may not increase or add to any appropriation or item in an appropriation, or make any appropriation for a purpose not recommended by the Board of Finance.

Comment: The CRC strongly believes that the Annual Budget vote continue to be held at Town Meeting. The town meeting provides a number of opportunities for informed public debate and for voter participation in shaping the budget by voting out items. The town meeting also provides the Board of Finance and Board of Selectmen a fuller, more detailed understanding of public sentiment about the Town's budget, and this information can be invaluable in the development of future budgets. Moreover, the current arrangement provides three ways to bring the budget vote to referendum; 1) the Board of Selectmen can bring this to a

referendum on its own accord, 2) the townspeople can petition for this to be voted on at a referendum, or 3) the Town Meeting can adjourn to a referendum vote. Following the 08.07 meeting of the CRC and BoS, the CRC unanimously recommended that the original language of this section remain as the CRC proposed and that the explanatory language of the comment (re: bringing the budget to referendum) NOT be included in the text of this section. That explanatory language is not appropriate in the context of the enabling language of the charter.

Section 3.3.1 Annual Budget Meeting

The Annual Budget Meeting shall be held at least thirty (30) days prior to the end of the fiscal year. Said date shall be set at the Annual Town Meeting of the prior year or at a special town meeting.

Section 3.4. Special Appropriations

Per section 5.1.9 of this Charter, a special appropriation and a payment into or appropriation from the reserve fund for capital and nonrecurring expenditures, requiring town meeting approval, may be decreased by the town meeting but may not be increased. A town meeting may make no special appropriation or transfer of funds not recommended by the Board of Finance.

Section 3.5 Ordinances

Section 3.5.1 Petition For Enactment of Ordinances.

Not less than one hundred (100) electors, who are qualified to vote in a town meeting, may, at any time, petition over their personal signatures for the enactment of any proposed lawful ordinance by filing such petition, including the complete text of such

ordinance, with the Town Clerk. The Selectmen shall call a special town meeting to be held within twenty-one (21) days from the date of filing. A call for such meeting shall state the proposed ordinance in full and shall provide for a “yes“ or “no“ vote as to its enactment. If a majority of the persons entitled to vote voting at such meeting shall vote “yes,“ then such ordinance shall take effect, after it has been published in a newspaper having a general circulation in the town.

Section 3.5.2 Action on Ordinances

When the Board of Selectmen submits a proposed ordinance in accordance with section 4.5 of this Charter, by vote of the town meeting the proposed ordinance may be adopted, or amended and adopted, or rejected. If adopted, said ordinance shall become effective on a date set by the town meeting or thirty (30) days after adoption, but not before a notice of the ordinance has been published. Within ten (10) days after adoption of an ordinance, the Town Clerk shall cause to be published in a newspaper having general circulation in the town, a notice, which indicates that a copy of the ordinance is available at the Town Hall. The Town Clerk shall promptly record said ordinance in a book kept for that purpose.

Section 3.6 Sale or Purchase of Real Estate

Subject to the provisions of section 3.7 of this Charter, the discontinuance of roads by the town, the sale or other disposition of real estate of the town used or reserved for town purposes, and except as provided in Section 4.6, the purchase or

other acquisition of real estate for such purposes, shall require approval of a town meeting. The sale of real estate not used or reserved for town purposes shall be in accordance with an ordinance adopted by town meeting.

Comment: Revision (“discontinuance” for “abandoned”) to reflect preferred usage (roads are discontinued, not abandoned). Added phrase re: Section 4.6 needed to account for revisions to the Selectmen’s Additional Powers in accepting interests in land and new roads.

Section 3.7 Actions Requiring Referendum

Any action of the town requiring 1) a special appropriation or the borrowing of \$100,000 or more, or 2) the acquisition or taking of any property through Eminent Domain proceedings shall be the subject of a referendum conducted according to the General Statutes.

Comment: Following the 08.07 meeting of the CRC and BoS, the CRC unanimously agreed that the dollar limits specified in the 1977 charter should remain. The CRC thus withdraws its previous recommendation. Section 3.7 should thus read:

CHAPTER 4. BOARD OF SELECTMEN

Section 4.1 Number of Selectmen

There shall be a Board of Selectmen consisting of a First Selectman and two (2) additional Selectmen, hereinafter referred to as the Selectmen, who shall be compensated in such manner and amount as set by vote of the Annual Budget Meeting, upon recommendation of the Board of Finance.

The candidate receiving the largest number of votes for First Selectman at the General Town Election shall be declared elected to the office of First Selectman. The

two (2) candidates receiving the next highest number of votes at the General Town

Election shall be declared elected to the Board of Selectmen.

Comment: The CRC has been asked by several members of the public to consider expansion of the Board of Selectmen from 3 to 5 or 7 members. We have researched this topic, finding that there is some variety-- 3, 5, 7--not restricted to town size. We have considered the matter and believe that there is no compelling reason to increase the size of the board.

Section 4.2 Procedures

The newly elected Board of Selectmen shall hold a first organizational meeting within ten (10) days after taking office. At this meeting the Board of Selectmen, in accordance with the General Statutes and this Charter, shall fix the time and place of its regular meetings, provide a method for the calling of Special Meetings, and designate who shall act in the place of the First Selectman in the event of his or her absence or disability. It shall, by resolution, determine its own rules of procedure, except that each Selectman shall always retain the ability to make a motion or offer a proposal which shall be considered by the Board without the necessity of a second. All meetings of the Selectmen for the transaction of business shall be open to the public, subject to the provisions of Section 2.10. The votes of each member shall be recorded at the session at which they occur, in accordance with the General Statutes, and reported in the minutes of such meeting. Two members shall constitute a quorum, and no resolution or action shall be adopted by less than two affirmative votes.

Comment: Revision for gender neutral language.

Section 4.3 General Powers and Duties

Section 4.3.1 Affairs of the Town

The Board of Selectmen shall be responsible for supervising the affairs of the town, and shall guide all town officers, boards, agencies, commissions, and committees toward accomplishing the objectives of the town's long-range comprehensive plans.

Section 4.3.2 Capital Expenditures

The Board of Selectmen shall be responsible for presenting to the Board of Finance the amount, purpose, and proposed method of financing projected capital expenditures. The Board of Selectmen may, in order to carry out its duties and responsibilities, require such information from, or joint meetings with, any town officer, board, commission, or agency.

Section 4.3.3 Joint Meeting With Other Town Agencies

The Board of Selectmen shall be responsible for holding joint meetings at least two (2) times a year with one or more members of all boards, commissions, and agencies to coordinate the planning and action of such. The items discussed shall be appropriately recorded.

Comment: The CRC recommends no change in this section.

Section 4.3.4 Town Budget

All agencies shall submit to the Board of Selectmen for its review in recommending a general government budget to the board of finance, copies of the itemized estimate of the expenditures to be made by that agency, and all revenues, other than town appropriations, to be received by it during the ensuing fiscal year; such itemized estimates along with supporting data to be submitted to the Board of Selectmen at such time as the Board of Finance, under section 5.1.5 of this Charter, may require for the

preparation of the annual budget.

Section 4.3.5 Financial Planning

The Board of Selectmen shall be responsible for reviewing the current and projected administrative and fiscal needs of the town and shall develop, maintain and update annually a long-range comprehensive financial plan. Said plan shall be filed with the Town Clerk.

Comment: CRC believes the process enabled by this revision will keep the long-range financial plan a vital and responsive document.

Section 4.3.6 Town Procurement Policy

The Board of Selectmen shall be responsible for implementing a Town Procurement Policy and review such policy on an annual basis.

Comment: The CRC believes the implementation of a procurement policy is essential for the orderly and ethical business dealings of the town.

Section 4.4 Appointments

Unless otherwise specified in this Charter or in the General Statutes as amended, the Board of Selectmen shall make all appointments to the following town offices: 911 Coordinator, Animal Control Officer, Building Code Board of Appeals, Building Official, Burning Officials, Conservation Commission, Constables, Director of Emergency Management, Director of Health, Economic Development Commission, Fire Marshal and Deputy Fire Marshal, Fire Wardens, Historic District Commission, Inland Wetlands and Watercourses Agency, Municipal Agent for Elderly, Ordinances Committee, Public Safety Committee, Recreation Committee, Regional Planning Agency, Senior Citizen Board, Special Constables, Street Naming Committee, Tax Assessor, Town Counsel,

Town Engineer, Town Sanitarian, Tree Warden, Water Commission.

Comment: This section has been updated for current nomenclature. Following the 08.07 meeting of the CRC and BoS, the CRC voted unanimously to leave the language of this section as it originally recommended: we believe that the specificity of detail is and will be useful to town governance.

Section 4.5 Powers With Respect to Ordinances.

The Board of Selectmen may propose to a town meeting duly called, ordinances consistent with the General Statutes and this Charter on any matter which the General Statutes or this Charter authorize to be legislated by ordinance, and which in general would serve to aid in the preservation of the good order, health, welfare and safety of the town.

Section 4.6 Additional Powers and Duties of Board of Selectmen

Except for the powers committed to the Board of Finance by the General Statutes, the Selectmen shall have the power, subject to the provisions of the General Statutes and this Charter:

- (1) To incur indebtedness in the name of the town, and to provide for the due execution of contracts and evidences of indebtedness issued by the town;
- (2) To purchase, lease, sell, or convey real or personal property of or for the town; and also with the approval of the Planning and Zoning Commission under General Statutes, or any successor statute of similar import, the Selectmen may accept any of the following without town meeting approval: new roads constructed to town standards and interests in land reserved as open space or otherwise protected from development pursuant to a development plan approved by the Planning and Zoning

Commission.

(3) To institute, prosecute, defend, or negotiate any legal action or proceeding by or against the town;

(4) To enter into contractual arrangements with other municipalities to obtain needed services provided such arrangements meet with provisions set forth in section 5.1.9 of this Charter;

(5) To put out to public bid all contracts in amounts in excess of \$5,000.00 accordance with the Town Procurement Policy;

(6) To pay all town bills and record all town expenditures against appropriations.

Comment: Revision to subsection 2 to expedite process which has sufficient steps for approval built in. Revision to subsection 5 reflects addition of Town Procurement Policy in Section 4.3.6. Following the 08.07 meeting of the CRC and the BoS, the CRC voted unanimously to accept the Board's recommendation to remove language (so removed in this document) regarding "interests in land offered to the town."

Section 4.7 Other Powers and Duties

The Selectmen shall have such other powers and duties as are provided by the General Statutes and this Charter.

Section 4.8. The First Selectman

The First Selectman shall be:

(1) The chief executive and administrative officer of the town, and shall have the powers and duties of First Selectman conferred upon that office by the General Statutes and by this Charter;

(2) An ex-officio member, without vote, of all town boards, commissions, and committees. The First Selectman may attend all sessions, both public and executive, of

said boards, commissions, and committees. In the event the First Selectman is unable to attend said sessions, he or she may, in writing, appoint a selectman to be his or her representative at any of said sessions, also without vote. The First Selectman shall be given reasonable notice of all meetings of all boards, commissions, and committees;

(3) Chief of Police of the town, supervising the duties and responsibilities of the constables and other police or/and public safety officers.

Comment: Revision for gender neutral language and (3) to clarify by specifying responsibilities and powers over public safety officers.

Section 4.9 Duties of the First Selectman

The First Selectman shall be responsible for:

(1) Executing and carrying out all ordinances, resolutions, policies and other action approved by the Board of Selectmen or a town meeting;

(2) Coordinating administration of the agencies, boards, and commissions of the town, except those functions expressly reserved or delegated to such agencies by law;

Comment: The CRC believes that the language of this item is clear and sufficient. CRC recommends one change—replacing “voted” to “approved”—to clarify that the action voted upon must be approved in order for First Selectman to execute it.

(3) Guiding the Board of Selectmen in the discharge of all the Board’s duties and responsibilities;

(4) Directing and supervising the activities of town employees, and where the First Selectman deems advisable, working with town employees, except employees of the Board of Education and employees whose employment is otherwise provided by law;

(5) Keeping full and complete records of the activities of this office;

(6) Providing monthly written financial reports and analysis to the Board of Selectmen and the Board of Finance; such report shall be filed with the Town Clerk by

the end of the following month.

(7) Keeping or causing to be kept complete books of account showing the financial transactions of the town, and all other accounts and records as may be prescribed by the Board of Selectmen, the General Statutes, this Charter, and a town meeting.

Comment: The CRC believes that revision of subsection (6) will promote transparency of town's financial status.

Section 4.9.1 Delegation of Duties

The First Selectman may from time to time assign and delegate his or her duties and powers to another Selectman.

Comment: Revision for gender neutral language.

CHAPTER 5. FINANCE AND TAXATION

Section 5.1 Board of Finance

There shall be a six-member Board of Finance which shall exercise the powers and duties granted to such Board under the General Statutes and this Charter. The members of the Board of Finance shall be elected in accordance with sections 2.1 and 2.3 of this Charter.

Section 5.1.1 Qualifications -Meetings

The Board of Finance, within ten (10) days following qualification of newly elected members, shall meet and elect from its membership a chairman, who shall preside over its meetings, a vice-chairman, who shall preside in the chairman's absence, and shall appoint a clerk, who shall prepare the minutes and other records of each meeting.

The Board shall hold regular monthly meetings, and special meetings when needed, to perform its duties.

Each member of the Board of Finance must meet the following qualifications:

- (1) Be an elector of the town;
- (2) Be a taxpayer of the town;
- (3) Be sworn to faithful performance of his duties;
- (4) Hold no salaried town office.

Board members shall receive no compensation for services, but necessary expenses of the Board are to be paid by the town within the limits of the Board's appropriation.

Section 5.1.2 Vacancies

Any vacancy occurring on the Board of Finance shall be filled by the Board of Selectmen, as provided for in section 2.6 of this Charter.

Section 5.1.3 Quorum

Four members shall constitute a quorum to hold meetings and transact business at such meetings.

Section 5.1.4 Annual Audit

The Board of Finance shall annually designate an independent public accountant to audit the books of the town, in accordance with the General Statutes.

Section 5.1.5 Preparation of the Budget

At such time and in such manner as the Board of Finance may require, but not later than January 15, every agency and office of the town supported wholly or in part by town revenues, or for which a specific town appropriation is or may be made, shall present to the Board of Selectmen and to the Board of Finance an itemized estimate of the expenditures to be made by that agency/office and all revenues other than town appropriations to be received by it for its use during the ensuing fiscal year. The estimates shall be accompanied by such other reports and data as the Board of Finance or the Board of Selectmen may require. Each agency/office may also be required to submit a statement of its program or programs showing services, activities, and work to be accomplished during the ensuing year. These data and reports will be compiled into a preliminary proposed general town budget.

At such time and in such a manner as the Board of Finance may by regulation require, but not later than February 15, the Board of Selectmen shall present the proposed preliminary budget, with its recommendations, to the Board of Finance for review and final preparation. After reviewing the budget as presented by the Boards of Selectmen and Education, the Board of Finance shall prepare the final proposed town budget for presentation at a public hearing. The Board of Finance may require any agency or office, including the Board of Selectmen, to meet with it and explain the requests for funds. Any agency/office shall be entitled to be heard by the Board of

Finance in respect to the estimates of proposed expenditures submitted by that agency or office.

Comment: The CRC recommends revision (supplying specific dates) to ensure the budget process is started earlier to maximize the time available to review the budget. Following the 08.07 meeting of the CRC and the BoS, the CRC considered the Board's request to change the dates the CRC originally offered. The CRC voted unanimously (08.07) to recommend the amended dates as above: January 15 and February 15. The first date reflects the BoS's recommendation; the second date (02.15) represents the CRC's attempt to split the time equally for the BoS and the Board of Finance. Again, our intention is to maximize the time available for review of the budget.

Section 5.1.6. Public Hearing on Proposed Budget.

The Board of Finance shall hold one or more public hearings not later than fourteen (14) days before the Annual Budget Meeting. At these hearings, the Board of Finance shall present an itemized statement, by classification, with the following information:

At the meeting the Board of Finance shall recommend its proposed budget to the town. Sufficient copies of the said annual budget shall be made available for general distribution in the office of the Town Clerk at least five (5) days prior to said budget meeting. The budget shall become official when approved by the Annual Budget Meeting, provided no appropriation shall be made exceeding that for the same purpose recommended by the Board of Finance, and no appropriation shall be made for any purpose not recommended. By a majority or more of the qualified voters present and voting at such meeting, an amount of money less than that recommended may be appropriated. The appropriations recommended by the Board of Finance and the amendments thereto, if any, shall be construed as having been appropriated when approved as herein above prescribed. An official copy of the budget, as finally approved, shall be filed with the Town Clerk.

Section 5.1.8 Laying Taxes

After the Board of Assessment Appeals has finished its duties, and a Grand List has been completed, and after considering other estimated yearly income of the town, the

Board of Finance shall meet to lay a tax on the Grand List sufficient to pay the expenses and appropriations of the town for the ensuing fiscal year, and to absorb any revenue deficit of the town at the end of the current fiscal year.

Comment: Revision to reflect current nomenclature.

Section 5.1.9 Special Appropriations

The Board of Finance, on request by town agencies or officials, may make special appropriations from surplus revenue or from an approved contingency fund. Such a special appropriation in excess of \$20,000 shall require approval by a vote of town meeting. Comment: Revision to reflect current economic realities.

The Treasurer shall act as agent of the Town Deposit Fund. The procedures of the Treasurer's office shall conform to the regulations of the Board of Finance, adopted in conformance with this Charter. The Treasurer's term of office shall be as set forth in section 2.-1 of this Charter.

Comment: The CRC believes that the current wording is sufficient but suggests a review at a future date.

CHAPTER 6. BOARDS, COMMISSIONS, COMMITTEES AND OFFICERS

Section 6.1 Regional Board of Education

At each General Town Election there shall be elected sufficient members to maintain a full delegation to represent the Town of Durham on the Regional District 13 Board of Education. Terms of office shall be four (4) years beginning on the first Monday in December following said election, in accordance with Section 2.1 of this Charter, except as provided in the following paragraph.

The transition and terms of office for the Durham members of the Regional District 13 Board of Education shall be accomplished as follows: Two (2) members,

whose terms expire on June 30, 2007, shall have their terms extended until the General Town Election in November 2007. At that time two (2) members shall be elected for four-year terms. Three (3) members, whose terms expire on June 30, 2008, and one member, whose term expires on June 30, 2009, shall have their terms extended until the General Town Election in November 2009. At that time, three (3) members shall be elected for four-year terms and one (1) member shall be elected for a two-year term.

This method of election is contingent on the approval of a District referendum providing for a four-year term for the Regional Board of Education. Otherwise, the method will revert to the previous method of election by town meeting.

Comment: The CRC recommends that the Durham members of the Regional District 13 Board of Education be nominated and elected in the same manner as town officers at biennial general elections. It is our understanding that this option is afforded to municipalities participating in regional school districts by Section 10-46 (c) of the General Statutes. We offer this change in procedures to expand the opportunities for communication between current and prospective board members and the citizens of Durham. While the town meeting procedure has historically served the town and the board generally well, there appears to be widespread feeling that the board and the citizens of Durham could significantly benefit from the greater communication and informational opportunities afforded by the process of a general election, in particular the need for candidates to describe their positions and to hear and respond to citizens' views.

Counsel has advised that coordination is required with, among other entities, the State Board of Education, the State Elections Division, the Regional Board of Education, and the appropriate public officials in Middlefield. The CRC recommends that the Board of Selectmen and Durham Town Counsel begin that collaborative process forthwith in order to effect the change in the election procedure.

Counsel has also recommended, and the CRC concurs, that one half (3 members) of the Durham delegation be elected every two years, and the transition language (second paragraph above) provides for this.

Counsel also recommends the inclusion of a contingency provision, which we have done here in the concluding paragraph of this section,

Finally, Durham membership in the Regional District 13 Board of Education is established in the General Statutes.

The CRC agrees with the BoS that the revision to Section 6.1 be presented as a separate question on the ballot for decision by the electorate.

Section 6.2. Regional Planning Agency

The town shall have representation on a Regional Planning Agency in accordance with the provisions of the General Statutes.

Comment: Deletion of “Midstate” to make reference generic. Further revision [deletion of chapter reference and CT] to streamline reference to General Statutes per practice specified in Section 1.1.

Section 6.3 Durham-Middlefield Interlocal Agreement Advisory Board

The Durham-Middlefield Interlocal Agreement Advisory Board shall operate and be constituted as provided in the by-laws of said board.

Comment: Deletion to capture modifications to DMIAAB by-laws post 1971.

Section 6.4 Planning and Zoning Commission

There shall be a Planning and Zoning Commission consisting of nine (9) regular members and three (3) alternates. Each regular member shall have a vote. Members shall be elected in accordance with sections 2.1 and 2.3 of this Charter at General Town Elections, and shall serve for a term of four (4) years, beginning on the first Monday in December after said election. At the first regular meeting of the Commission occurring after said first Monday in December, the Commission shall elect a chairman, and vice-chairman and a secretary. The chairman must receive a majority of the votes cast.

The planning and zoning commission shall fill within thirty (30) days, any vacancy which occurs among the regular members by appointing one of the three alternate members of the Commission. Said appointee shall serve until the next General Town Election when an election to fill the unexpired portion of the vacating member’s term shall be held.

The membership of the Commission and the alternates shall be considered separately for the purposes of section 2.3 of this Charter.

The Board of Selectmen shall fill, within thirty (30) days, any vacancy which occurs among the alternate positions. Said appointee shall serve until the next General Town Election when an election to fill out the unexpired portion of said vacating member's term will be held.

The Planning and Zoning Commission shall possess all of the powers and duties, not inconsistent with this Charter, in accordance with the General Statutes.

The Commission shall appoint a Zoning Enforcement Officer who will not be a member of said Commission, and who will enforce the zoning regulations of the town. The Commission may also appoint an Assistant Zoning Enforcement Officer if necessary. The commission will define the scope of the duties of the Office and regulate the activities of said Officer(s), and will have the authority to discharge said Officer(s) for due cause.

The Commission shall appoint one representative who is a resident of the town to the Regional Planning Agency, in accordance with provisions of the General Statutes.

Comment: Deletion removes language specific to transition period of previous revision, and is no longer applicable. Other minor revisions to conform with document's established style.

Section 6.5 Zoning Board of Appeals

There shall be a Zoning Board of Appeals consisting of five (5) regular members and three (3) alternate members. Each regular member shall have one (1) vote.

Regular members and alternates shall be elected in accordance with Sections 2.1

and 2.3 of this Charter at the General Town Election, and shall serve for a term of four (4) years, beginning on the first Monday of December following the election. The membership of the Board and the alternates shall be considered separately for the purposes of Section 2.3 of this Charter.

The Board of Selectmen shall fill within thirty (30) days any vacancy which occurs among the regular members from among the alternate members. Said appointee shall serve until the next General Town Election.

No regular or alternate member of this Board may be a member of the Planning and Zoning Commission.

The Zoning Board of Appeals shall possess all of the powers and duties in accordance with the General Statutes that are not inconsistent with this Charter.

Comment: Deletion removes language specific to transition period of previous revision, and is no longer applicable.

Section 6.6 Director of Health

A Director of Health shall be appointed by the Board of Selectmen, with the approval of the State Public Health Council. The Director shall have all of the powers and duties in accordance with the General Statutes and shall serve for a period of 4 years.

Comment: Revisions for gender-neutral language. Addition of term duration reflects practice. The CRC recommends Town Counsel review the term duration language. The text above reflects the CRC's acceptance of the BoS's recommendation (07.24) to indicate the term length as 4 years.

Section 6.6.1 Town Sanitarian

There shall be a Town Sanitarian appointed by the Board of Selectmen, advised by

the Director of Health and having all of the powers and duties in accordance with the General Statutes.

Comment: Revision for gender-neutral language.

Section 6.7 Town Clerk

There shall be a Town Clerk who shall perform all of the duties and functions in accordance with the General Statutes, and whose term of office shall be set forth in section 2.1 of this Charter.

Comment: CRC recommends no change.

Section 6.8 Town Counsel

The Board of Selectmen shall, by resolution at a meeting to be held not later than one (1) month after taking office, appoint a town counsel to serve for a term coterminous with the Board of Selectmen, or until a successor has been appointed.

The Town Counsel shall be an attorney at law admitted to practice law in Connecticut. Unless otherwise provided for by this Charter, he or she shall appear for and protect the rights of the town in all actions, suits, or proceedings brought by or against it or any of its officers, boards, commissions, or committees. He or she shall be a legal advisor to all town officers, boards, commissions, or committees, in all matters affecting the town, and will, upon written request, furnish them with a written opinion on any question of law

involving their respective powers and duties, said written requests and replies to be forwarded through the Board of Selectmen. Upon written request, the Town Counsel will prepare or approve forms of contracts or other instruments to which the town is a party or in which it has an interest. He or she shall have the power, with approval of the Selectmen, to compromise or settle any claims by or against the town. In the event of a conflict of interest, the Town Counsel will report said conflict to the Board of Selectmen and disqualify him- or herself. The Board of Selectmen shall have the authority to retain other counsel.

Comment:

Revision for gender-neutral language and to provide for other counsel when the Board of Selectmen deems it necessary.

Section 6.9.1 Fire Department

It will be responsible for the prevention, control, and extinguishment of fires, and shall perform all functions usually associated with the Town Fire Department.

These Trustees are to work with the three (3) Trustees

elected by the Durham Volunteer Fire Company, Inc., in formulating rules governing the use of and maintenance of the Fire Department buildings.

Comment: Revision for clarity of language

Comment: Revision to conform to General Statutes.

Section 6.11 Animal Control Officer

The Conservation Commission shall function in accordance with the General Statutes.

In addition to the duties and responsibilities specified in the General Statutes, the Commission shall have overall authority to administer and regulate open space property acquired under the provisions of the General Statutes.

The Commission is authorized and empowered to negotiate any and all leases for the rental of such open space land, to develop and execute plans and programs for the

conservation and use of such open space land, and to delegate responsibility for the intensive management of any part of these lands to other public and private organizations for the benefit of the public.

Comment: Deleted references to Section 7-131 per practice.

electors of the town who shall be appointed by the Board of Selectmen. The term of office shall be for two (2) years. All terms shall begin on January 1.

Comment: Deleted reference to Section 7-136 per practice.

Section 6.17 Board of Library Directors

The Board of Library Directors shall consist of nine (9) members elected at the Annual Town Meeting for terms of three (3) years. The Board shall have the responsibility for providing library services, library personnel, for setting hours of operation and for maintaining the buildings and grounds.

The Board shall have the responsibility of acting as trustees of and administering the endowment funds established for the library.

Comment: At the first public hearing the Library Board requested a revision of this section. The CRC decided the current language is sufficiently clear and empowering. Thus the Charter Revision Commission recommends that the current text remain unchanged.

Section 6.18 Compensation Review/Personnel Policy Commission

There shall be a Compensation Review/Personnel Policy Commission. This Commission shall provide continuing review of all compensation, including all monetary and non-monetary compensation and benefits, provided by the town to all public officials and employees. At the request of the Board of Finance or Board of Selectmen, this Commission shall also provide review and/or continuing review of compensation provided by the town to any other party, such as consultants, contractors, and service providers.

The Commission shall, at least annually, provide a written report of its doings to the Board of Finance and Board of Selectmen, and a copy of such report shall be filed with the Town Clerk at least sixty (60) days prior to any hearing on the annual Town Budget.

No person whose compensation is subject to review by this Commission, and no person who is affiliated with any entity whose compensation is subject to review by this Commission, shall hold membership on this Commission.

The Commission may also advise the Board of Selectmen on personnel matters.

This Commission shall have five (5) members, and members shall hold terms of five (5) years. The current membership of the Personnel Policy Board shall retain their seats, and shall serve their terms, as the same presently exist. Vacancies from whatever cause shall be filled by election at a Town Meeting, no contrary provision of this Charter withstanding.

Comment: Deletion #1 to remove outdated and inapplicable text. Deletion #2 to remove repetitious language.

The CRC believes the revision of the Personnel Policy Board as the Compensation Review Commission, with the amended activities prescribed, will make for a more effective and better-focused entity to review compensation and advise the Board of Selectmen and Board of Finance. The CRC accepts the recommendation of the BoS (07.24) to amend the text and the revisions have been incorporated presented in the text above.

Section 6.19 Inland Wetlands and Water Courses Agency

There shall be an Inland Wetlands and Watercourses Agency consisting of seven (7) members whose powers, duties and terms of office are as set forth in an ordinance of the town dated August 27, 1973, and in the General Statutes as either may be amended from time to time.

Section 6.20 Historic District Commission

There shall be an Historic District Commission consisting of five (5) members and

three (3) alternate members whose powers, duties and terms of office are as set forth in an ordinance of the town dated June 25, 1973, and in the General Statutes as either may be amended from time to time.

Comment: Streamline reference to the General Statutes.

Section 6.21 Ethics Commission

There shall be an Ethics Commission that shall set forth standards of ethical conduct for public officials, employees, contractors, consultants, and members of boards and commissions in the performance of their duties. Such commission shall be established forthwith by Town Ordinance.

Comment: The CRC believes that an ethics commission and the creation of a set of standards of ethical behavior will encourage high standards of practice for town officials and promote citizens' confidence in town governance. The CRC believes that a fuller description of the standards would require a level of detail not appropriate for the Charter.

Section 6.22 Land-Use Boards and Commissions

Commencing at the conclusion of current terms, no member of the land-use boards and commissions -- Planning & Zoning Commission, Zoning Board of Appeals, Conservation Commission, Historic District Commission and Inland Wetlands and Watercourses Commission--may be a member simultaneously of more than one such board or commission.

Comment: The CRC believes that such stipulation (building as it does from existing language in Charter Section 6.-5) appropriately limits the power and diversifies perspective of the membership of commissions and boards and encourages civic participation by opening opportunities to serve.

Following the 08.07 meeting of the CRC and the BoS, the CRC voted to withdraw its earlier recommendation of term limits. We do agree with the BoS's

recommendation that this item be brought to the public as a separate question on the ballot.

Section 6.23 Department of Emergency Management

There shall be a department of Emergency Management and a Director of Emergency Management appointed by the Board of Selectmen and it shall function in accordance with Chapter 517 of the General Statutes.

Comment: We are creating a department of emergency management to fulfill statutory mandate. The CRC accepts the BoS's recommendation (07.24) to empower the Board of Selectmen (rather than the First Selectman) to appoint the director of this department and respectfully recommends soliciting Town Counsel's opinion on the matter of whether it is the First Selectman or the Board of Selectmen who shall appoint the Director in compliance with the General Statutes.

Section 6.24 Other Town Officials

Except as otherwise provided in this Charter, the Town of Durham shall have such other town officers, departments, boards, commissions, and agencies as now exist and as are provided by the General Statutes, special acts, or as provided by any ordinance adopted pursuant to law. All such officers, departments, boards, commissions, and agencies, shall be elected or appointed in accordance with the General Statutes or by Special Act, or as provided in this Charter, or by any ordinance adopted pursuant to law, and shall continue to have such powers and duties, privileges and functions as are or may in the future be conferred on them by the General Statutes, Special Acts, this Charter, ordinances, or regulations adopted pursuant to law, or amendments thereto.

CHAPTER 7. MISCELLANEOUS PROVISIONS

Section 7.1 Existing Laws and Ordinances

All general laws applicable to the town, all enabling legislation adopted by

the town, and all ordinances and by-laws of the town shall continue in full force and effect, except as they are inconsistent with the provisions of this Charter.

All special acts or parts of special acts relating to the town that are not inconsistent with the provisions of this Charter continue in full force and effect.

Comment: The CRC finds this language clear and adequate.

Section 7.2 Continuation in Office of Officers, Boards, and Commissions

The members of existing boards and commissions, and officers in office, shall continue to hold office and to exercise the powers and duties conferred or imposed on them for the periods of their terms, or until their successors have been elected or appointed.

Section 7.3 Amendment of this Charter

The Board of Selectmen shall appoint a Charter Revision Commission not more than five years after the dissolution of the most recent Charter Revision Commission.

Comment: CRC believes that five (5) years is a reasonable timeframe in which to review the Charter with an eye to revising it in response to changing practice, new technologies, and other such changes as may make revision of the Charter advisable.

Section 7.3.1 Removal from Office (or recall) of Appointed Officials

The holder of any office or of any membership on a board (commission,

committee, etc.), who is appointed by the Board of Selectmen, may be removed for cause by a majority vote of the members of the Board of Selectmen then in office. The appointee shall be entitled to a hearing before the Board of Selectmen and shall be furnished with a written notice, including a detailed statement of cause and of the day of the hearing, at least ten (10) days prior to the hearing date. The appointee may ask that the hearing be private, and may attend with counsel. The Board of Selectmen must determine its decision within twenty (20) days of the hearing, and a written order of removal must be filed with the Town Clerk immediately. If an unqualified written resignation of the appointee is received prior to the hearing, there shall be no hearing.

Section 7.3.2 Salary or Compensation

In the event of a recall or removal from office, any salary or compensation for services shall be continued, or pro-rated, up to the day of decision by the Board of Selectmen.

Section 7.4 Saving Clause

If any section of this Charter is held invalid by a court of competent jurisdiction, such holding will not affect the remainder of this Charter, nor the context on which such section so held may appear, except to the extent that an entire section or part of a section may be inseparably connected in meaning and affect with the section or part of section to which such holding shall directly apply.

Section 7.5 Effective Date

The effective date of this Charter will be upon adoption of it at public referendum.

These revisions were approved by action of the Board of Selectmen on June 4, 1981 and ratified by the qualified electors of the Town of Durham at the General Town Election, November 3, 1981.

Comment: If proposed revisions are approved by the Board of Selectmen and General Town Election the dates in the above paragraph will be revised accordingly.
