Would you like to make new friends and help people in need at the same time? Bring your needles and your yarn. We welcome all levels of experienced crafters.

Join America's needle workers in creating warm afghan blankets for those in need. Create 7-inch x 9-inch rectangular sections using any basic knitting or crochet patterns. (Sections can also be dropped off at your favorite Michael's store).

This charity has warmed peoples' lives since 1991. It started in a small Wisconsin town with neighbors knitting and crocheting afghans for neighbors in need. Thanks to the creativity of founder Evie Rosen who came up with the idea of having volunteers knit or crochet small sections and then others join them together, the idea quickly caught on. Today Warm Up America distributes warm afghans, caps and other items to tens of thousands of people, thanks to the generosity of knitters and crocheters around the country.
