

Town of Durham

Registrars of Voters

Why Register to Vote?

Voting is our civic responsibility and privilege as Americans. Some of the reasons for registering to vote include:

You can campaign and run for political office.

You can join political committees and parties and help shape policies in your town and state that impact your life.

You can participate in elections on the local, state and national levels. You won't have to worry about only voting a Presidential ballot.

You can vote in any referendum, even if you don't own property in the district.

You can help determine your level of property taxes and school board budgets. You can vote for your local school board members.

You can select the people you want to run for office and vote for people who share your viewpoints and positions on issues.

You can exercise all your rights under the United States and Connecticut Constitutions.

Help decide what happens to your country.

Register to Vote today.
